

## About the ANTIQUE AUTO ASSOCIATION OF REGINA

The association came into being in 1962 when seven old car enthusiasts first met to discuss the formation of a club. The original club members were Don Chapman, Jack Wilson, Gord Watt, John Moroschan, Lorne Turner, Hugh Brown and Len Schmidt. Some 50 years later Len Schmidt remains as a member of the club.

After meeting at various members homes, the club found a permanent home at J. C. Wilson Construction. Later it moved to Tobin Tractor and eventually moved to the Elks Hall at 4915 1st Ave. North in Regina.

The Antique Tymes quarterly, which we previously published to report happenings in the hobby, has been replaced by the club email to keep members informed of club business and upcoming events.

Over the years we have established a number of annual events. These include: the Parts and Memorabilia Swap meet in April, the Blossom Tour in May, the Fort Valley Tour in August, Kelly's Kapers in September and the Awards Night in November.

In addition to these events several driving and social events, organized within the club as well as others organized by other clubs are enjoyed by our members.

Surrounding all events is the inevitable discussion about old cars, their finding, restoration and driving as well as car problems and problem solving. Although those discussions alone are worth the price of membership, there is so much more to enrich the life of the old car enthusiast!

Annual dues, payable the first of each year, or upon obtaining membership are \$35. We meet at 7:30 p.m. every second Wednesday of each month (with the exception of July and December), at the Elks Club Hall located at 4915 1st Avenue N. in Regina.

The only qualification for membership is interest in the old car hobby.

Come out to a meeting *and take our club for a Test drive.*
